Sir,

The Indian Society of Agronomy is one of the largest Professional Societies in the field of Agriculture and Allied Sciences, with life membership of more than 2,700 from India and Abroad. The Society has a distinction of organizing 04 International Congresses and 21 National Symposia besides carrying out various other professional activities. The Society shall be organizing the Fifth International Agronomy Congress on "*Agri-Innovations to Combat Food and Nutrition Challenges*", from 23-27 November, 2021 at PJTSAU, Hyderabad, Telangana in academic partnership with Indian Council of Agricultural Research and Indian Agricultural Research Institute, New Delhi. Organizers are receiving very encouraging response from all parts of globe and expecting more than 1000 delegates including 100 from abroad participating in Hybrid (Physical and Virtual) mode. Delegates beside Scientists/academicians including policy makers, administrators, and NGOs and progressive farmers will be attending this congress. I am enclosing herewith one hard copy of the second circular of the Congress. The soft copy of the circular is available on the Society website: www.isa-india.in.

I consider it my privilege to extend you and your organization a warm invitation for your active participation in the Congress to accomplish its objectives. I am also to request you to kindly avoid any training/function during the Congress scheduled period to ensure maximum participation from your organization in the Congress. Also, request to motivate the young researchers/teachers/professors/students from your organization to take active participation to make a grand success of *Combat Food and Nutrition Challenges*.

I also need your kind cooperation for getting sponsors and co-sponsors for the Congress.

With kind regards

D.R.S.
Praveen Rao

Yours faithfully

V. Praveen Rao
